

Calling all Gardeners

**We are looking for donations to the PLANT SALE at
Urban Retreats Garden Tour, Tea, Craft and Plant Sale, Saturday, June 20, 2026.**

All the proceeds from the Plant Sale go directly to 1JustCity to support the vital work they do in the inner city on our behalf. Your generosity is appreciated.

We welcome all plants: perennials, small shrubs, annuals and house plants. Perennials are the most sought after (hostas, irises, day lillies, and so on).

Label your donations if possible

It is helpful if you can mark on the pot what you know about the plant (name for sure and anything special about it, for example, yellow day lily or golden ninebark)

We also welcome decorative pots (ceramic or other) which we can pair with the plants which makes them attractive to buyers.

Drop off location

Plants can be dropped off Friday, June 19, between 10am and 12pm and **Saturday, June 20 before 9:30 am** at Norwood Community Centre at 87 Walmer Street (this is where the sale is being held on Saturday)

If this is not convenient for you contact Carol Frampton, Plant Sale Coordinator, cdframpton@shaw.ca to work out an alternative.

If you have any questions, please email us at gardentour@1justcity.ca

Thanks again for helping out.
