& @unknownbead**

Unique, handmade jewelry including bracelets, necklaces, anklets, earrings, pins, keychains and purse/bag charms made from beads, gems, crystals, spacers, charms, etc. Also, indoor potted plant-spike "bling", suncatchers, spiders, bees and dragonflies (from beads and buttons), Christmas ornaments, gazing balls and "little boxes/bags or treasures and love".

B&D Spice Mixers

Eight various artisanal seasoning and pepper blends which are all homemade, small batch. The recipes are their own and are not sold in any store. There are no additives, preservatives, desiccants or, more importantly, gluten in any of their mixes. Everything is made, blended and bottled themselves so yes, they can guarantee it.

Birds & Bars

Painted cedar birdhouses adorned with vintage and repurposed findings. Also, homemade soaps using all natural ingredients.

Blackbird Cottage Arts

Acrylic, mixed medium, and assemblage on reclaimed woods and canvas plus garden art created from recycled and vintage materials. Inspired by nature, life's stories and the mystical world, Dot Harapiak's dreams often guide her paintings and garden art. She is an active member of St.

James Assiniboia Norman Art Group; past member of Harte Trail Studio Tour and the WAVE, Interlake studio tours.

Catch the Sun

Add a permanent splash of colour and sparkle to your yard or garden with a variety of garden decor -- suncatcher flowers and mushrooms -- made from repurposed glassware. Proceeds support Nova House Women's Shelter in Selkirk.

Cathy Cort

Hand crafts include one of a kind home garden and jewelry pieces, many of which incorporate recycled items or natural finds.

**David Korstrom,
Photographer**

Framed photographs of wildlife and natural scenery suitable for any room in your home and fun photos for the children.

Diamond Art by Linda

This delicate art form means that each dot is placed by hand, then glued and sealed to ensure a long lasting piece. Pieces include Bobbleheads, Greeting Cards, Bookmarks, Vases, Music Boxes, Clocks, Hanging pieces, Hairclips, Mirrors, Magnets, Keychains and much more.

Glass & Stone

Barry's creations feature tabletop, stone Inukshuks, stained glass suncatchers of flower and wildlife, plus an interesting selection of abstract designs. The artist also offers large sport-logo panels and custom-made stained glass items to your specifications.

Healthy Way Every Day Inc.

Karen is a regenerative beekeeper, who uses ingredients from her hive, and botanicals grown on her farm in Sunnyside MB to create a regenerative apitherapy line of skincare. Her land and products are free from synthetics and chemicals, so her skincare line is gentle on your skin and aligned with the environment around us.

Henlow Artworks

Women's clothing and accessories designed by Winnipeg artist Sue Korstrom have been transformed into a collection of Wearable Art. Susan is a local artist who works in mediums of watercolour, acrylic and oils. Watercolour cards and prints are also available.

Linda's Garden Creations

Garden art from recycled glass. Bird baths, bird feeders, teapot bird feeders, owls and flowers. Also, suncatchers and stakes for plant pots, teacup suet feeders.

Marie Sumner, Artist

This artist is offering something for all who attend. There is an endless variety of one-of-kind original cards for all occasions. In addition there are a number of reprint cards from pieces of her art. For the art collector, there will be a few smaller paintings for sale as well.

Ocean Tails & Baubles

New and upcycled ocean-themed jewelry and accessories for both adults and kids, with each piece being a unique treasure.

Poppy's

An eclectic offering of quirky, fun handmade ceramics. Keeping with the garden theme of flowers, insects and nature, these artistic crafts are sure to delight.

Re-Creations

Discontinued upholstery samples and surplus fabrics transformed into crossbody bags, key fob pouches, card wallets, eyeglass cases, coin purses, market and wine/beverage bags. Some items are lined with military-grade RFID fabric to protect your cards and keys from relay hacking. Re-Creations donates 100% of its profits to Cancer Care Manitoba Foundation.

Simply Pretty by Val

Handcrafted jewelry and gifts using polymer clay and wire, featuring handcrafted pendants and earrings influenced by color and nature.

Stained Glasshley

A traditionally-trained stained glass artist, bringing an assortment of colourful suncatchers, panels and plant stakes.

Sue's Creations

Assorted jams such as marmalade, pineapple, mango, peach and more, including her famous pear jam. Homemade relishes and pickles made from her own recipes.

Master Gardener

Stop by for practical tips, creative inspiration, and answers to all your plant-related questions. Our Master Gardener loves helping people discover the joy of growing!

The Art of Glass

Stained glass ornaments for ALL Seasons -- Christmas, Easter, Halloween, St. Patrick's Day. Also assorted critters from around the world -- Safari (elephants, giraffes, camels), Farm (cows, horses, dogs, cats, frogs, foxes, mice and bugs). Tropical fish and birds, too. All affordably priced.

Truly Beadiful

This artisan creates handcrafted jewelry and resin art in small batches featuring natural gemstones and crystals. Each item is thoroughly designed to highlight the natural beauty of the stones while inspiring connection, comfort and joy.

Wildflower Fibre Arts
